Additionally, we will share the videos across social media and on the Chamber Website as well as at some chamber events when appropriate.

Your logo will be displayed at the beginning AND end of your video and we will always give you a shout-out and link to your chosen website or social media page every time we share the video.

FORT GIBSON WELCOME PACKET

The Chamber of Commerce is **STILL** the number one place consumers go for information about a community. Whether in-person or online, we get a lot of requests for information.

That's why it's time to create a new full color folder AND information brochure to hand out to new residents, visitors or new businesses.

We have ad space for ONE business on the front of the folder, or multiple ad spaces on the back cover, plus the inside pockets. Contact us today to discuss your advertising needs.

If you are interested in providing flyers, brochures or business cards for these packets, you are welcome to drop off supplies to the Chamber office. We will gladly include information from any active Chamber Member as a member benefit.

SPONSOR THE CHAMBER LOBBY

Imagine YOUR business being featured throughout the Chamber Lobby with your logo prominently displayed on the wall!

This is a 5-year commitment for only \$5,000. You can choose to pay the full \$5,000 in the first year and your business will retain ownership of the sponsorship for all 5 years. OR we can break it up and do \$1,000 a year. Your Choice!

This is a great opportunity for a bank, utility company, doctors office, realtor or anyone that wants to get their name in front of newcomers. Whether it's a new business, a new resident or a tourist, the Chamber Lobby gets a lot of visitors throughout the year. Make sure YOUR business is represented here.

WHY IT'S IMPORTANT

We've been building up our information center in the Chamber Lobby to create a warm, welcoming space where all of our members can leave their business cards, flyers or other information. This sponsorship helps offset those costs as we continue making improvements.

Our lobby also doubles as a conference room, where many meetings are held throughout the year. As we make more additions to the space, we hope to host more networking events here as well. (which gets YOUR business even more exposure!)

OTHER PERKS: *Our Lobby Sponsor will also be displayed prominently on the homepage of the chamber website and they will receive special recognition each year at the Annual Gala.*
