WHAT IS AN AMBASSADOR

The Chamber can not function without Ambassadors. They act as the welcoming committee for new business, assisting in ribbon cuttings, grand openings and groundbreakings.

Ambassadors assist the Chamber in recruiting and retaining members. They are the go-to volunteers for all chamber events.

- Be among the first to learn of business news.
- Make connections with local businesses.

There are a few requirements that must be met before you can be voted in to the Ambassador group.

- Chamber Member in good standing. (Current on dues)
